Bilateral Meetings

- Wednesday 10:40 h - 13:00 h

Description

Organized by Universidade NOVA de Lisboa, Janssen, Expresso and Microsoft, the Health Parliament Portugal is a platform of 60 top young professionals who are working together over 6 months, with the aim of changing the future of healthcare in Portugal. During 6 months, participants will work and brainstorm in 6 different committees around specific topics. They will meet with key stakeholders and share their ideas with policy makers, NGOs, media and interested general public, with the aim of delivering high-level policy-oriented recommendations to the Portuguese government.
