Bilateral Meetings

- Wednesday 14:00 h - 18:00 h

Description

GET TO KNOW RISI

Established in 1996, as a specialist in the development of tailor-made enterprise management solutions.

The quality of products and services has led to the trust of dozens of the most prestigious companies in the distribution, service and health industry, projecting our recognition in the market.

The know-how acquired in the long term, with the support of medical specialists (doctors, nurses and administrators) has allowed RISI since 2005 to specialize in the development of healthcare solutions, with more than 80 hospital units in partnership.

INNOVATION AND DEVELOPMENT

RISI is proud to be able to count on a team of high technical knowledge and dynamism, able to learn and innovate constantly.

With a young average and fruit of the values of the organization RISI is characterized by an environment that promotes initiative, creativity and team spirit.

QUALITY POLICY

Provide products and services that meet the needs and exceed the expectations of our customers through technological innovation and the quality of our services, with a fundamental principle of continuous improvement.
